

Attachment 1: Photo Documentation

1. Construction view, Duct type RAV-HM1601BTP-E (Representative).

2. Construction view, Duct type RAV-HM1601BTP-E (Representative).

Attachment 1: Photo Documentation

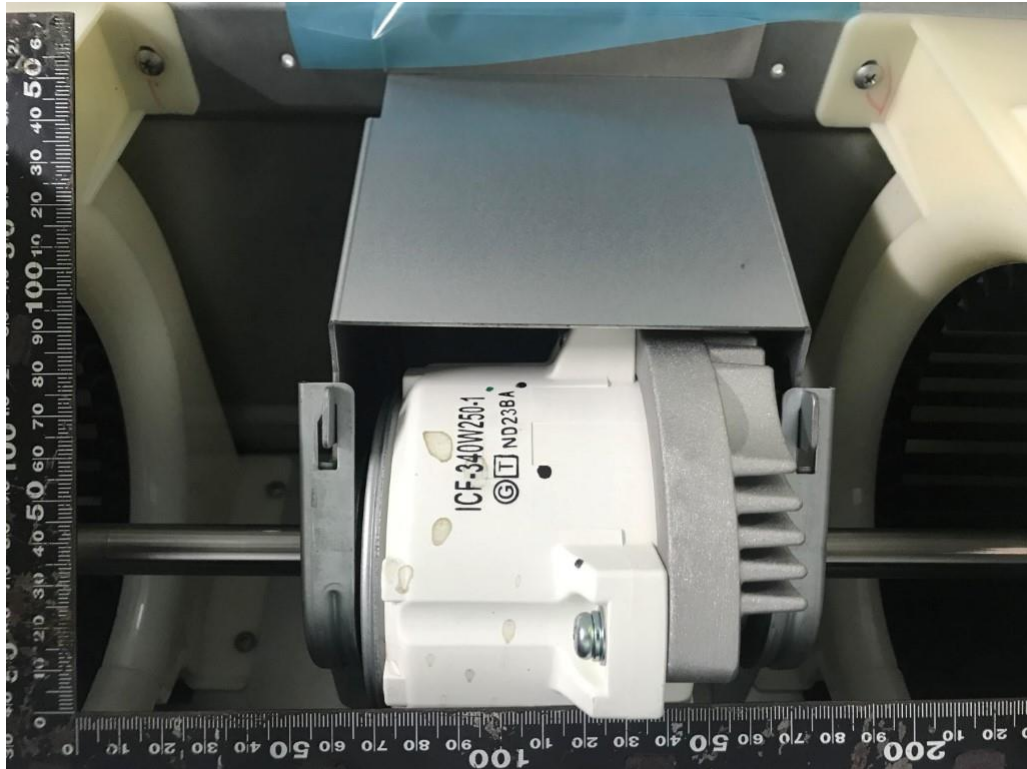

3. Construction view, Duct type RAV-HM1601BTP-E (Representative).

4. Construction view, Duct type RAV-HM1601BTP-E (Representative).

Attachment 1: Photo Documentation

5. Fan motor, Duct type RAV-HM1601BTP-E (Representative).

6. Terminal block, Duct type RAV-HM1601BTP-E (Representative).

Attachment 1: Photo Documentation

7. Drain pump, Duct type RAV-HM1601BTP-E (Representative).

8. PCB, Duct type RAV-HM1601BTP-E (Representative).

Attachment 1: Photo Documentation

9. Construction view, High wall RAV-HM801KRTP-E (Representative).

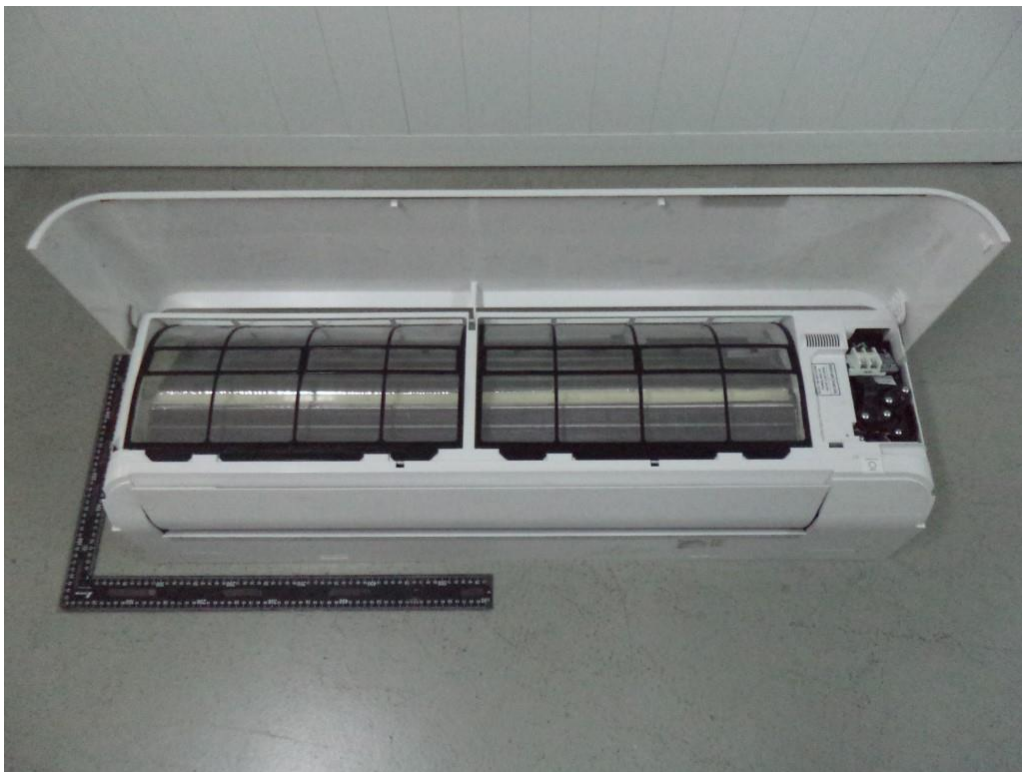

10. Construction view, High wall RAV-HM801KRTP-E (Representative).

Attachment 1: Photo Documentation

11. Construction view, High wall RAV-HM801KRTP-E (Representative).

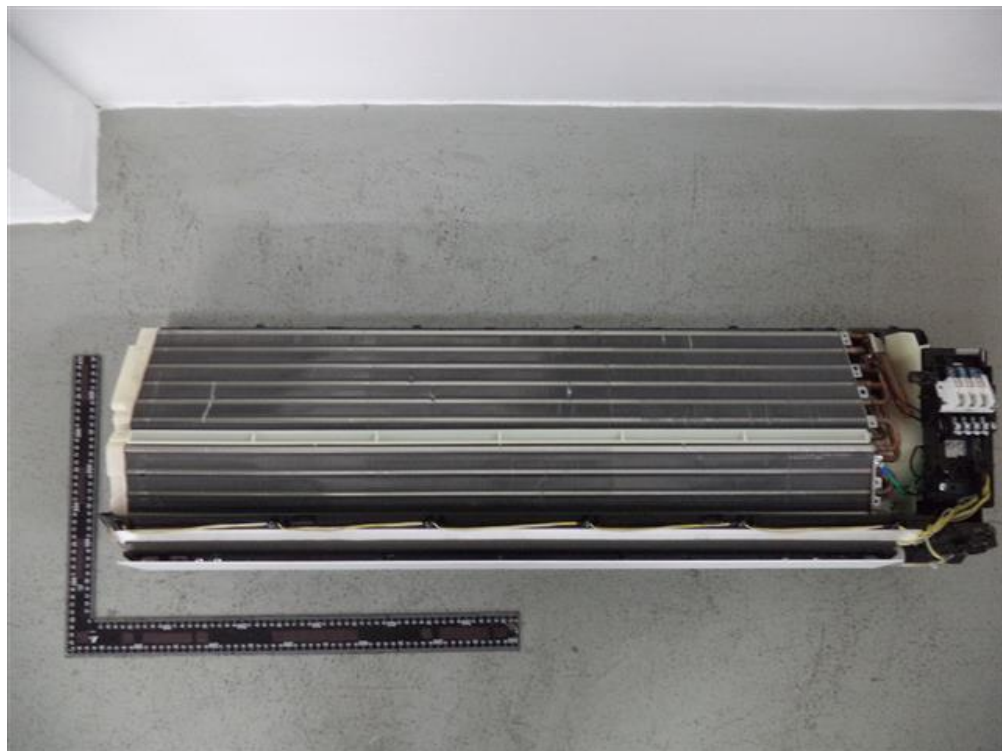

12. Construction view, High wall RAV-HM801KRTP-E (Representative).

Attachment 1: Photo Documentation

13. Terminal block, High wall RAV-HM801KRTP-E (Representative).

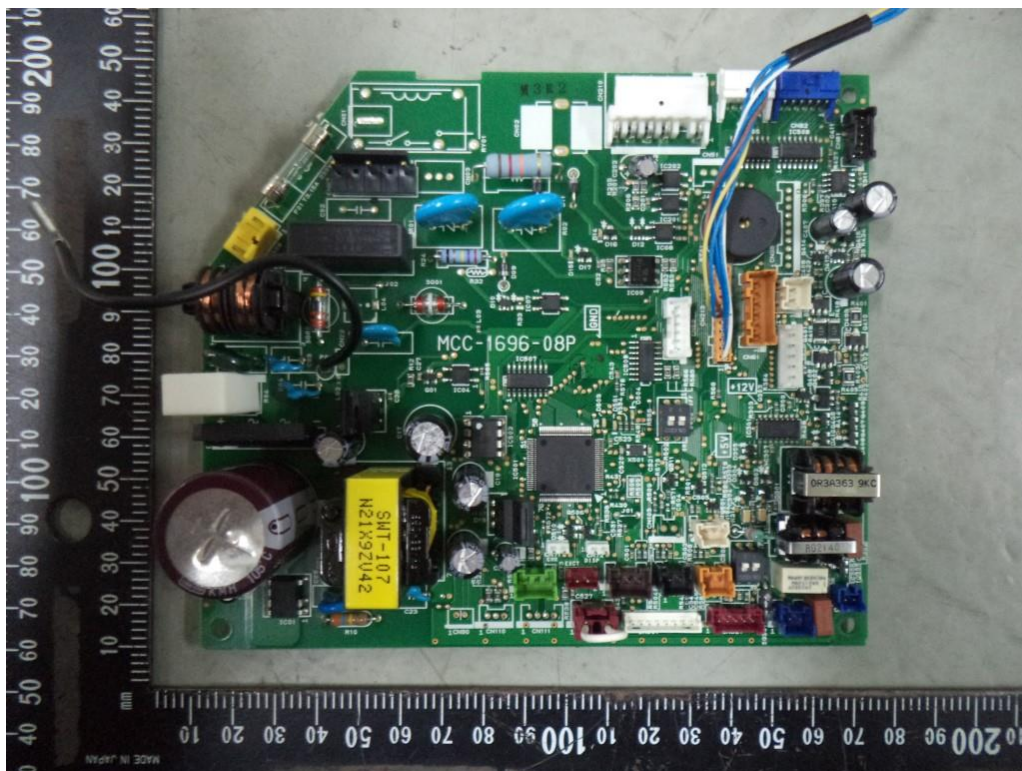

14. Inside construction view, High wall RAV-HM801KRTP-E (Representative).

Attachment 1: Photo Documentation

15. Fan motor, High wall RAV-HM801KRTP-E (Representative).

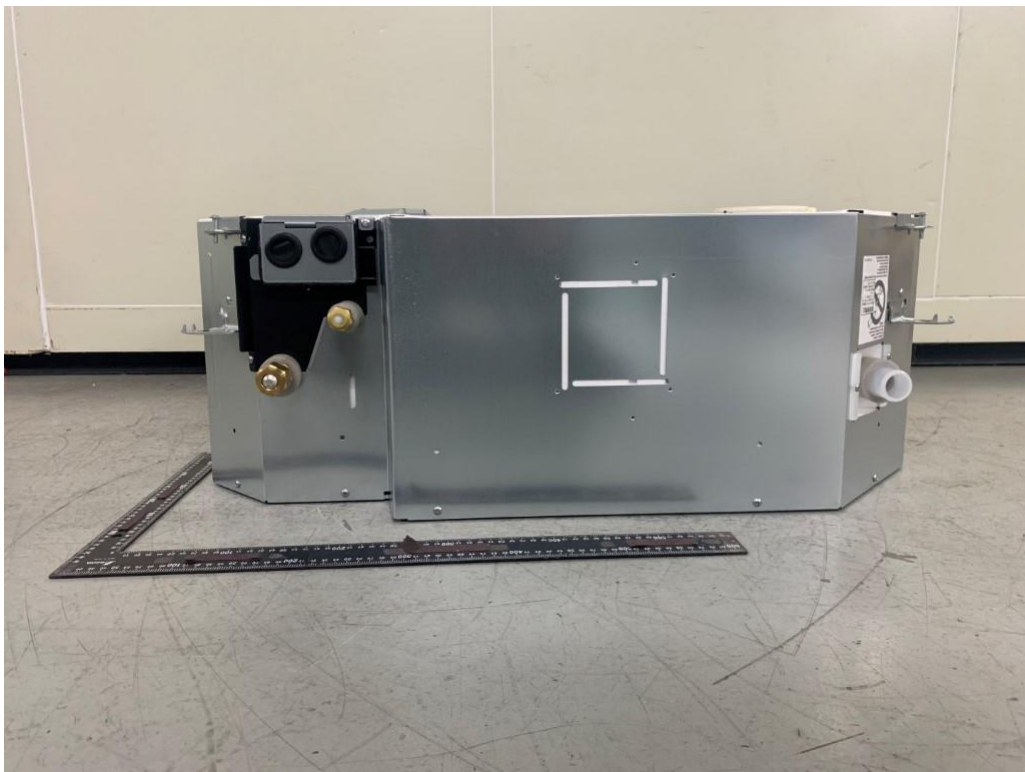

16. PCB, High wall RAV-HM801KRTP-E (Representative).

Attachment 1: Photo Documentation

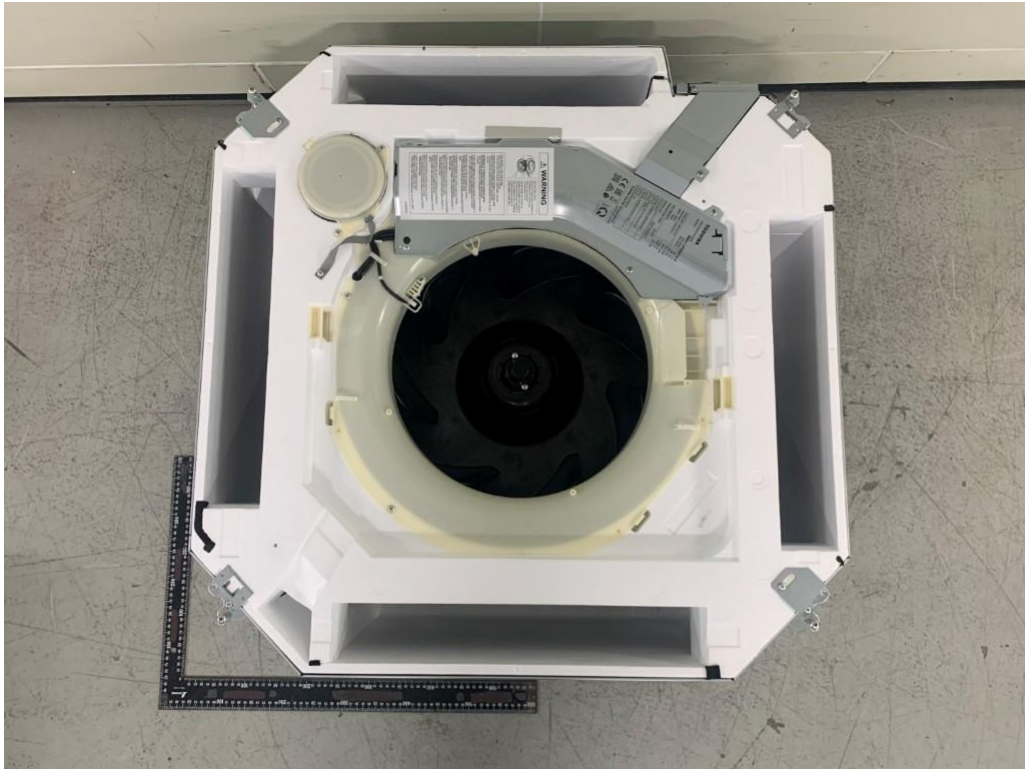

17. Construction view, 4 way cassette RAV-HM1601UTP-E (Representative).

18. Construction view, 4 way cassette RAV-HM1601UTP-E (Representative).

Attachment 1: Photo Documentation

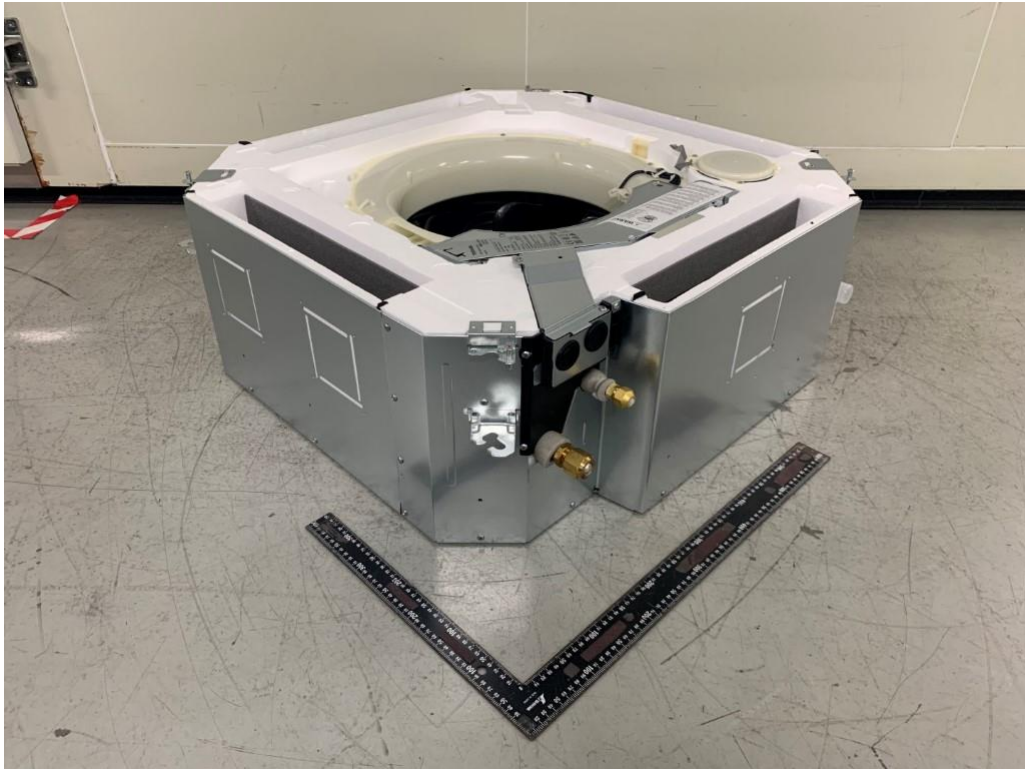

19. Construction view, 4 way cassette RAV-HM1601UTP-E (Representative).

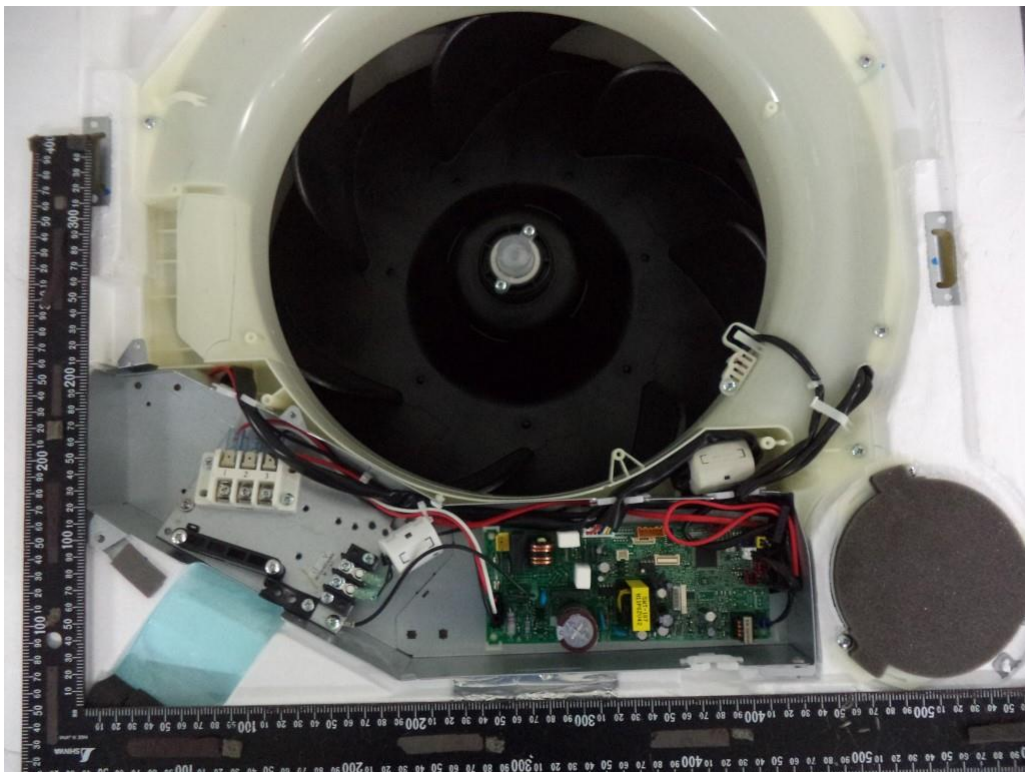

20. Construction view, 4 way cassette RAV-HM1601UTP-E (Representative).

Attachment 1: Photo Documentation

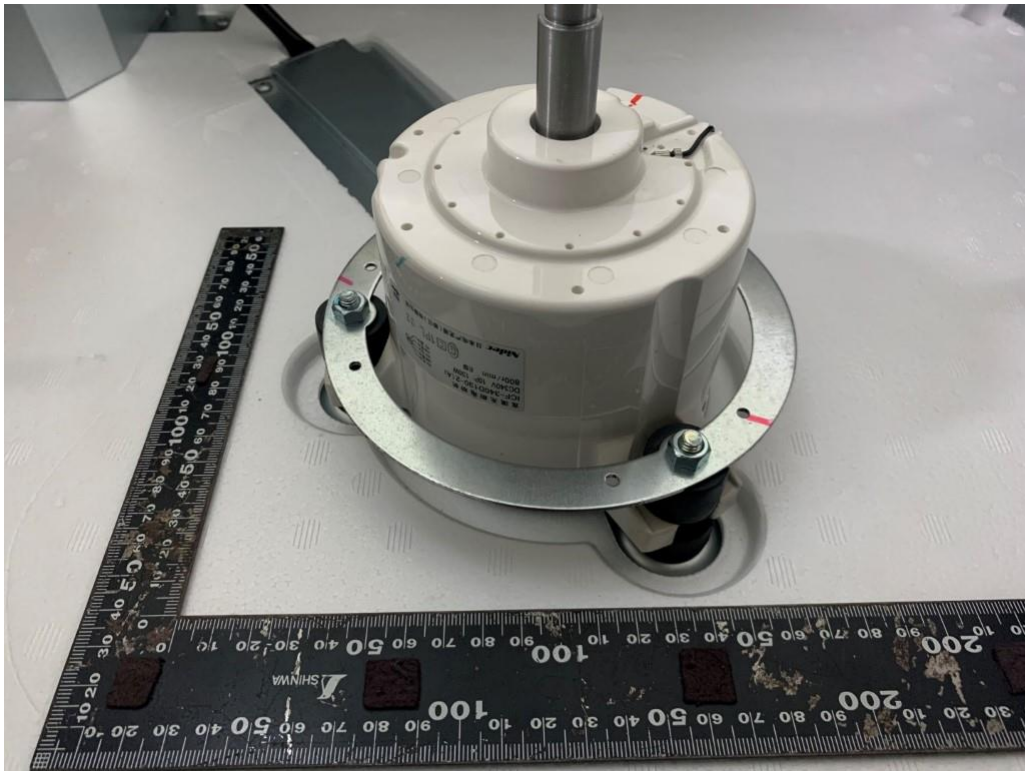

21. Construction view, 4 way cassette RAV-HM1601UTP-E (Representative).

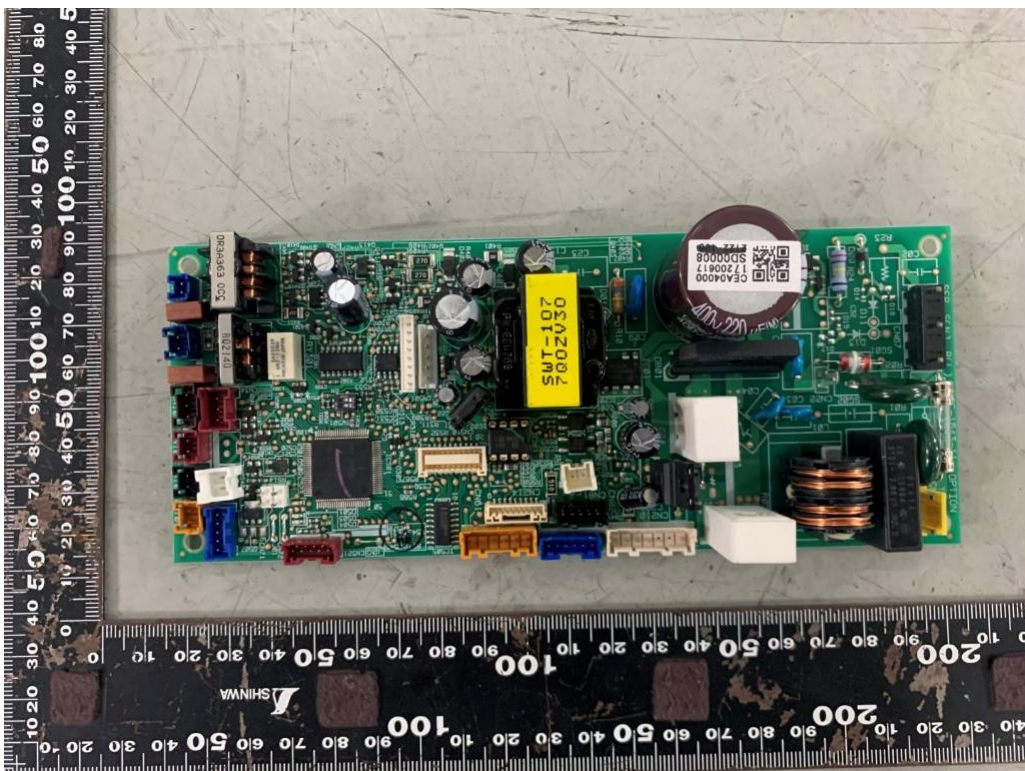

22. Construction view shown terminal block and PCB, 4 way cassette RAV-HM1601UTP-E (Representative).

Attachment 1: Photo Documentation

23. Fan motor, 4 way cassette RAV-HM1601UTP-E (Representative).

24. PCB, 4 way cassette RAV-HM1601UTP-E (Representative).

Attachment 1: Photo Documentation

25. RAV-HM1601CTP-E, Overall view. (Representative)

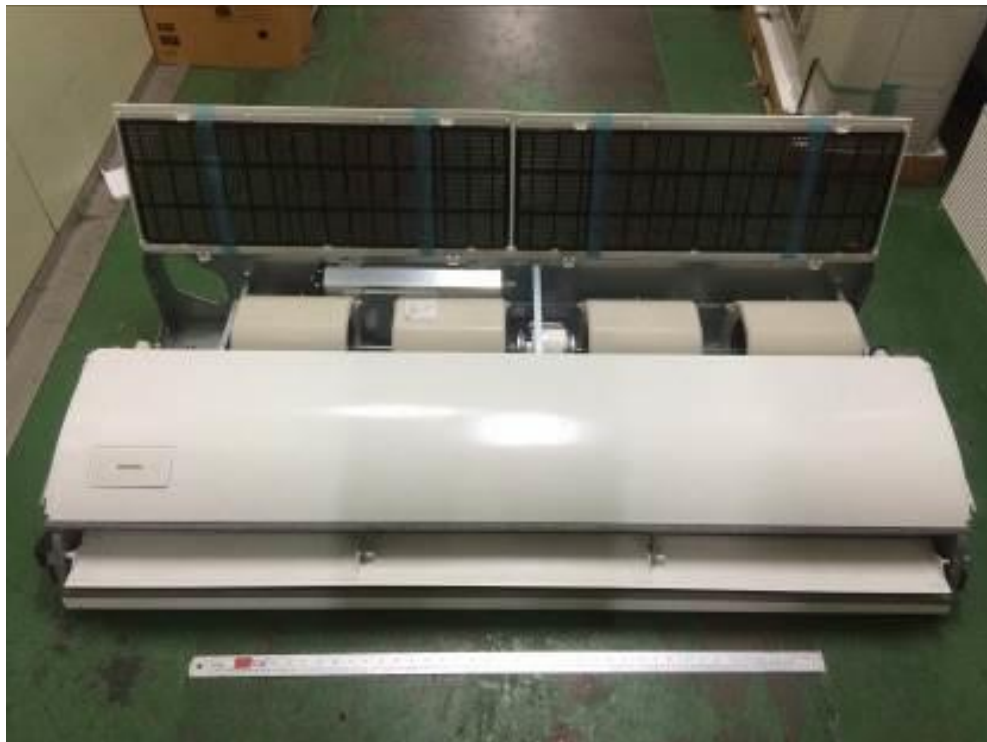

26. RAV-HM1601CTP-E, Overall view. (Representative)

Attachment 1: Photo Documentation

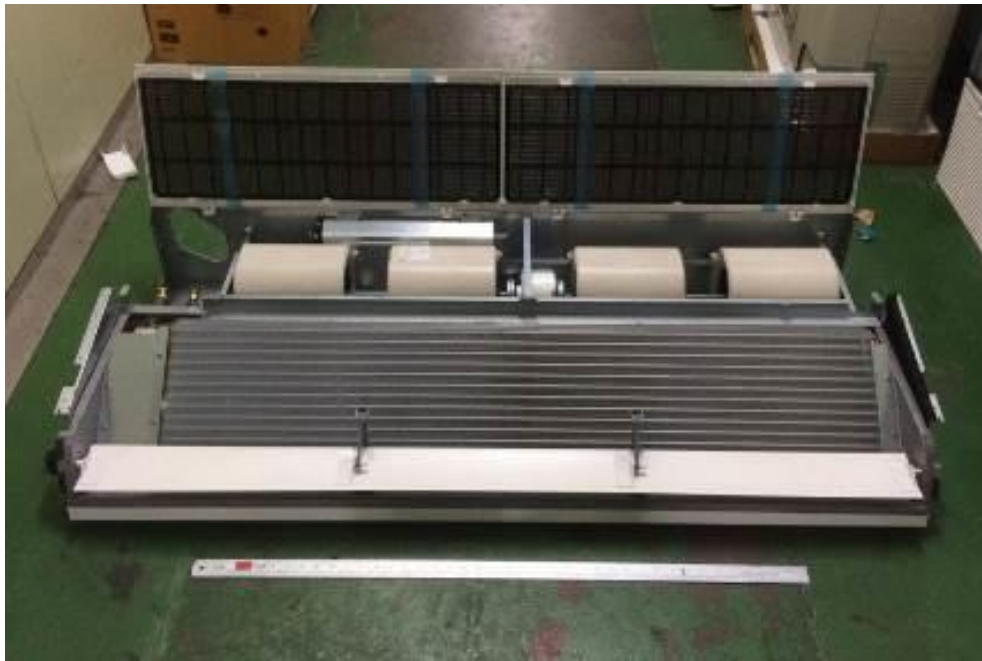

27. RAV-HM1601CTP-E, Rear view. (Representative)

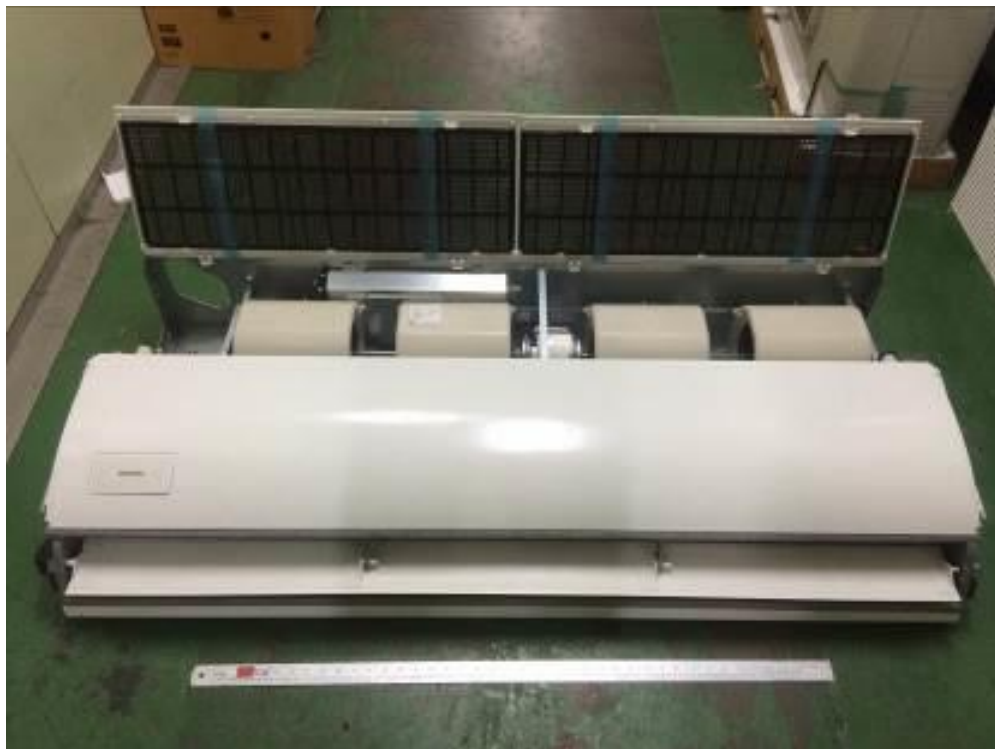

28. RAV-HM1601CTP-E, Construction after opened grill. (Representative)

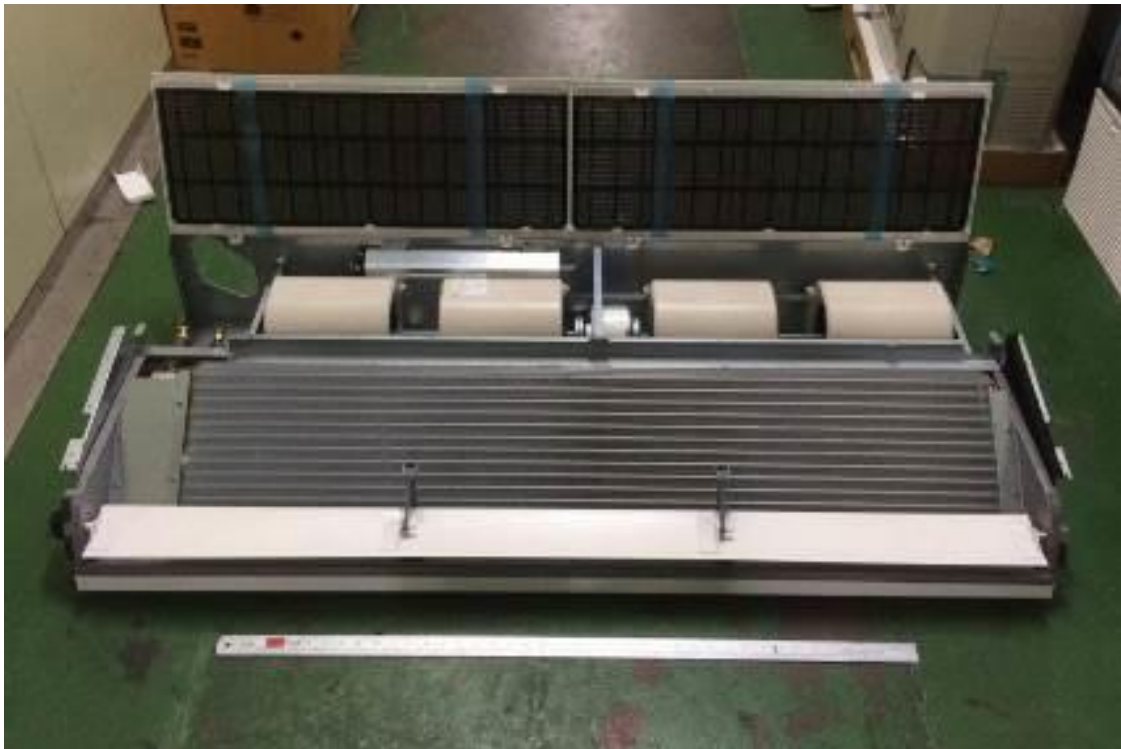

Attachment 1: Photo Documentation

29. RAV-HM1601CTP-E, Construction inside after removed covers. (Representative)

30. RAV-HM1601CTP-E, Construction after opened grill. (Representative)

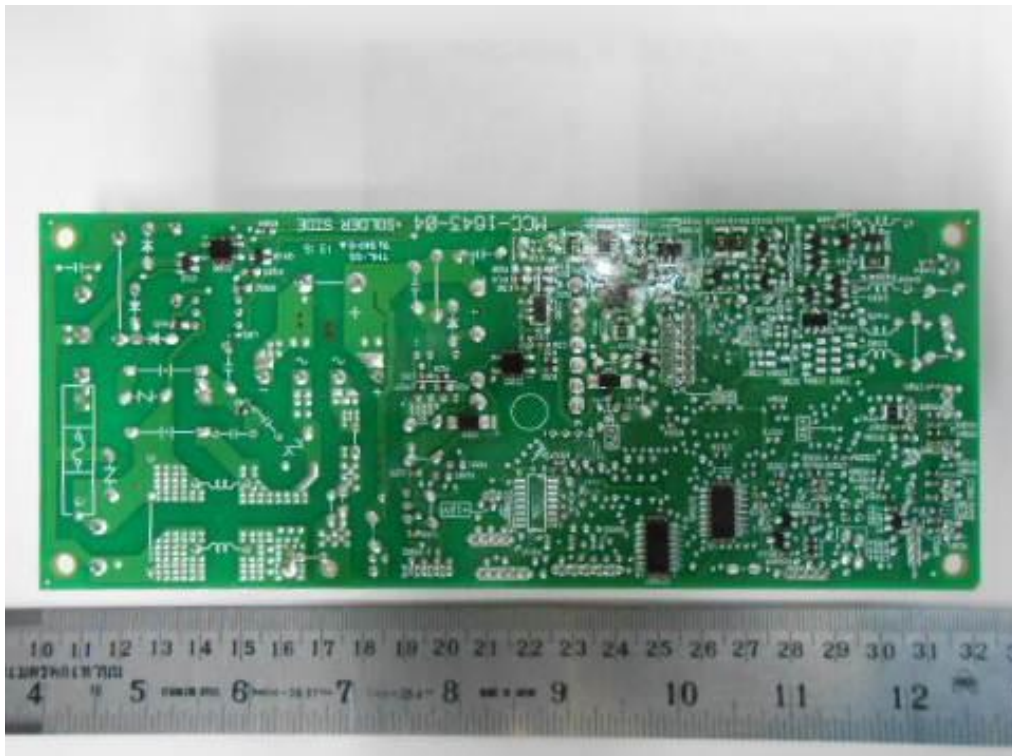

31. RAV-HM1601CTP-E, Construction inside after removed covers. (Representative)

32. RAV-HM1601CTP-E, Fan motor construction of control box. (Representative)

33. RAV-HM1601CTP-E, Control PCB components side. (Representative)

34. RAV-HM1601CTP-E, Control PCB trace side. (Representative)

Attachment 1: Photo Documentation

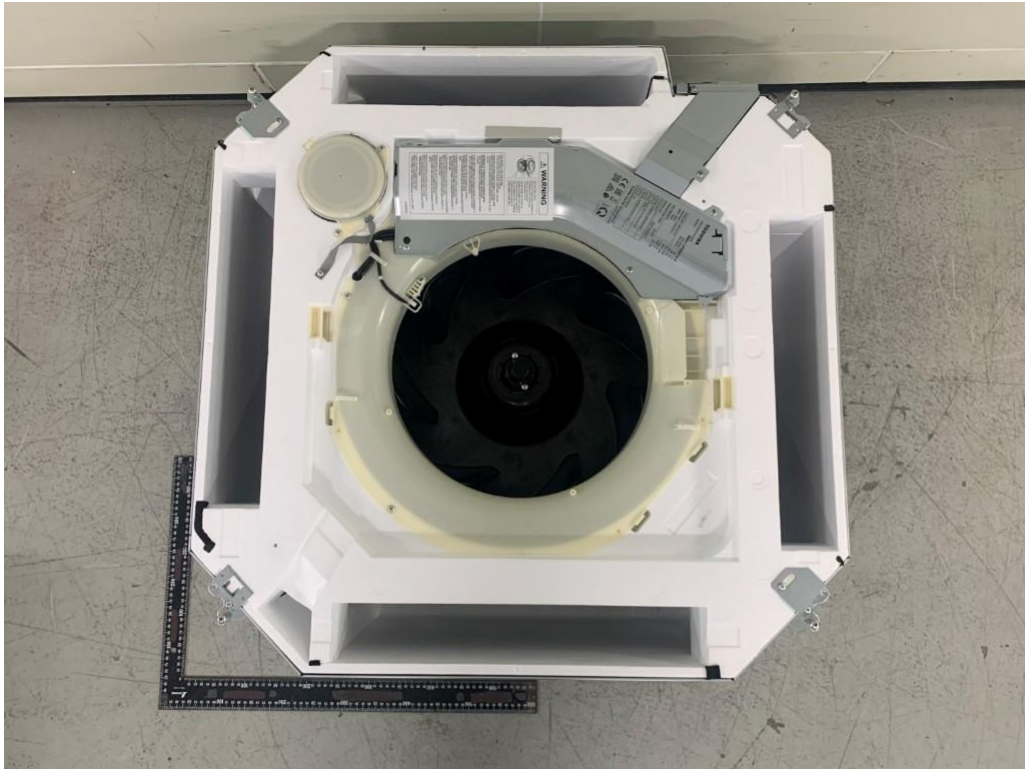

35. Construction view, 4 way smart cassette RAV-HM561UT-E (Representative).

36. Construction view, 4 way smart cassette RAV-HM561UT-E (Representative).

Attachment 1: Photo Documentation

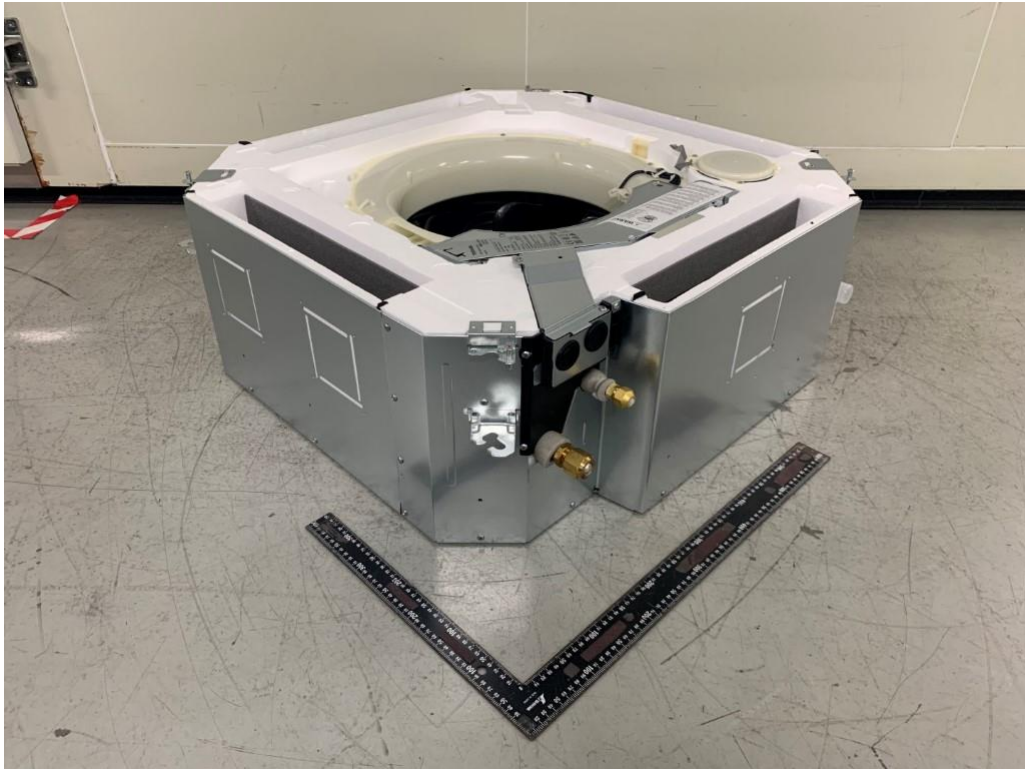

37. Construction view, 4 way smart cassette RAV-HM561UT-E (Representative).

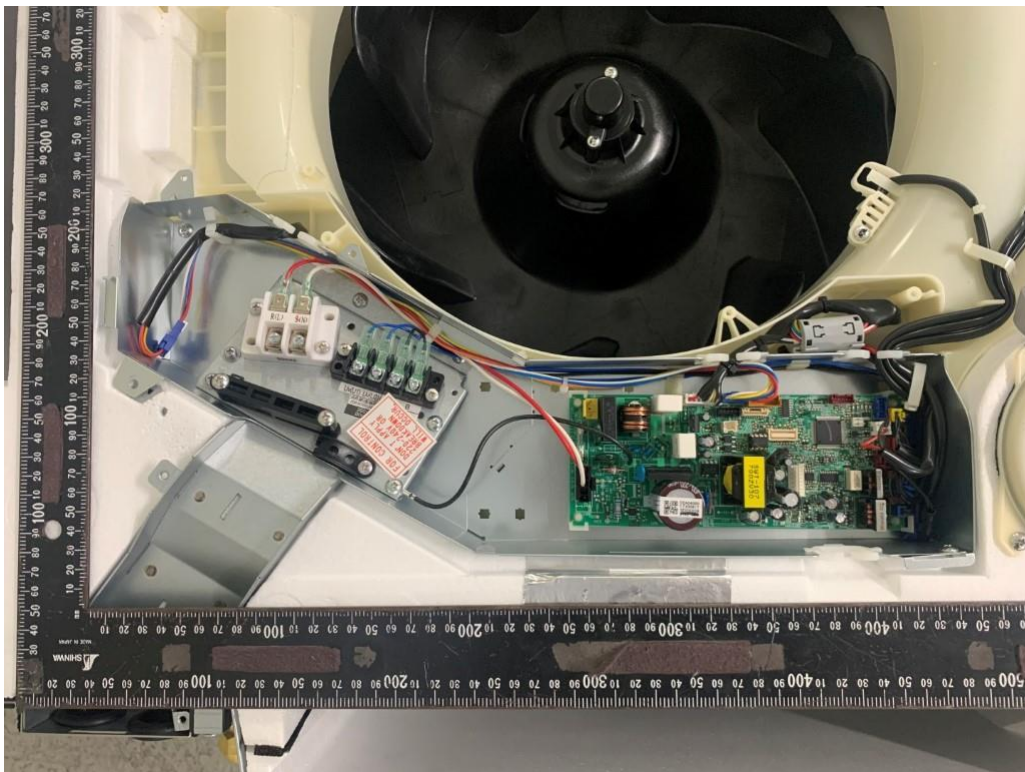

38. Construction view, 4 way smart cassette RAV-HM561UT-E (Representative).

Attachment 1: Photo Documentation

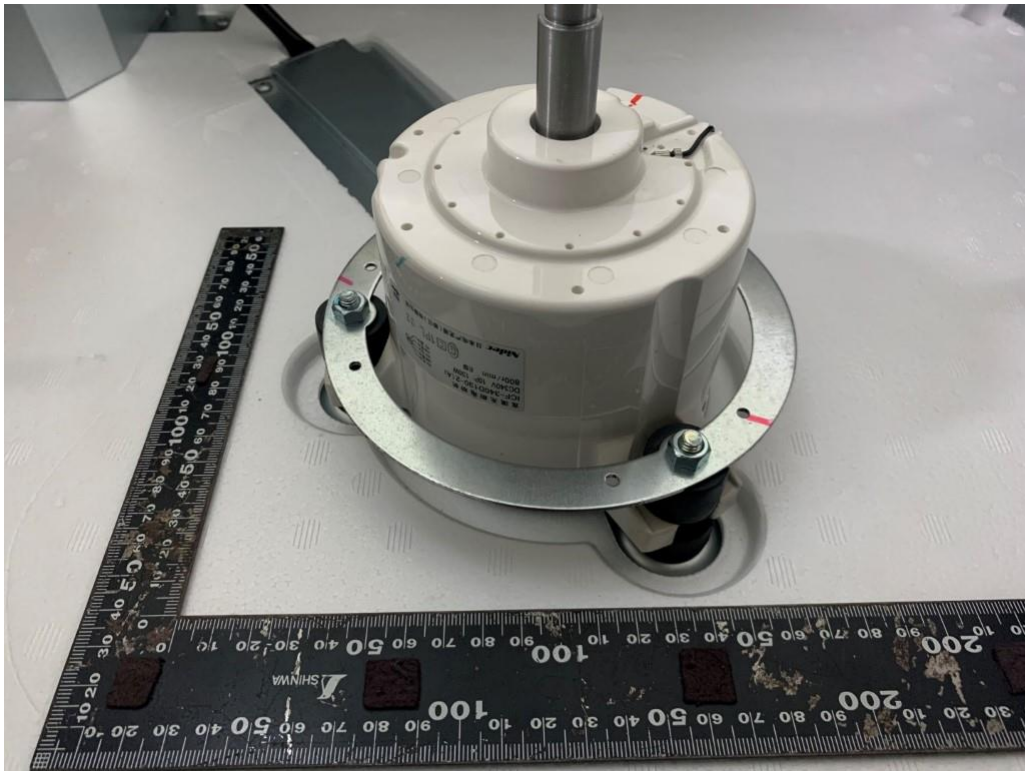

39. Construction view, 4 way smart cassette RAV-HM561UT-E (Representative).

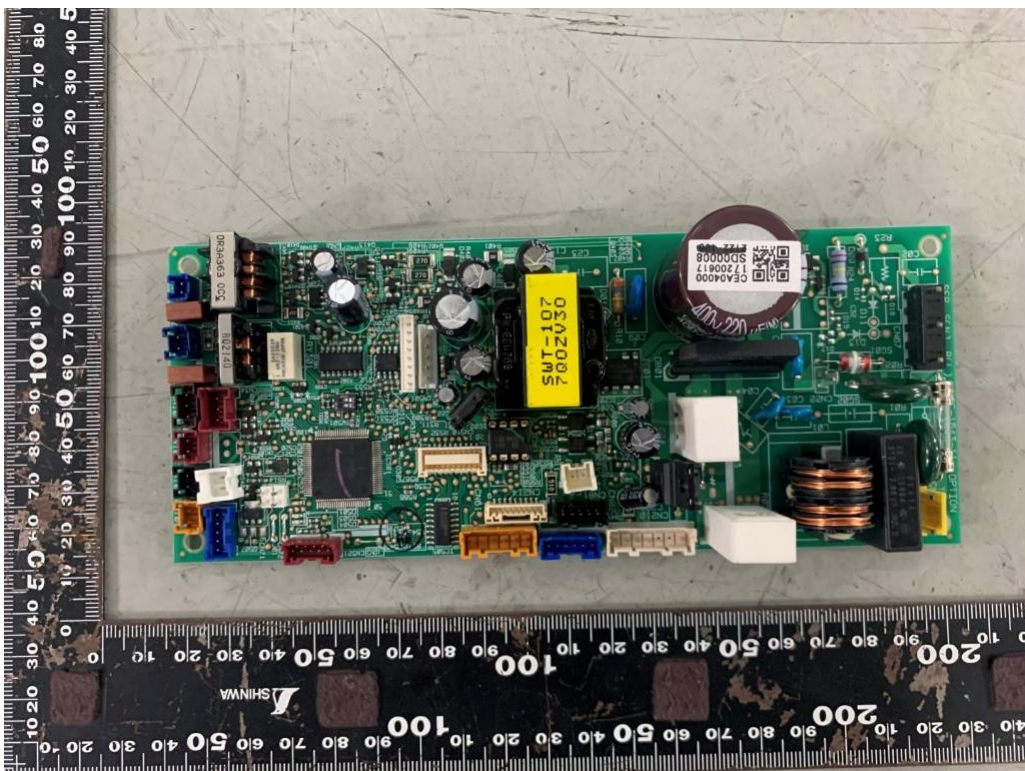

40. Construction view shown terminal block and PCB, 4 way smart cassette RAV-HM561UT-E (Representative).

Attachment 1: Photo Documentation

41. Fan motor, 4 way smart cassette RAV-HM561UT-E (Representative).

42. PCB, 4 way smart cassette RAV-HM561UT-E (Representative).

Attachment 1: Photo Documentation

43. Construction view, slim duct RAV-HM561SDTY-E (Representative).

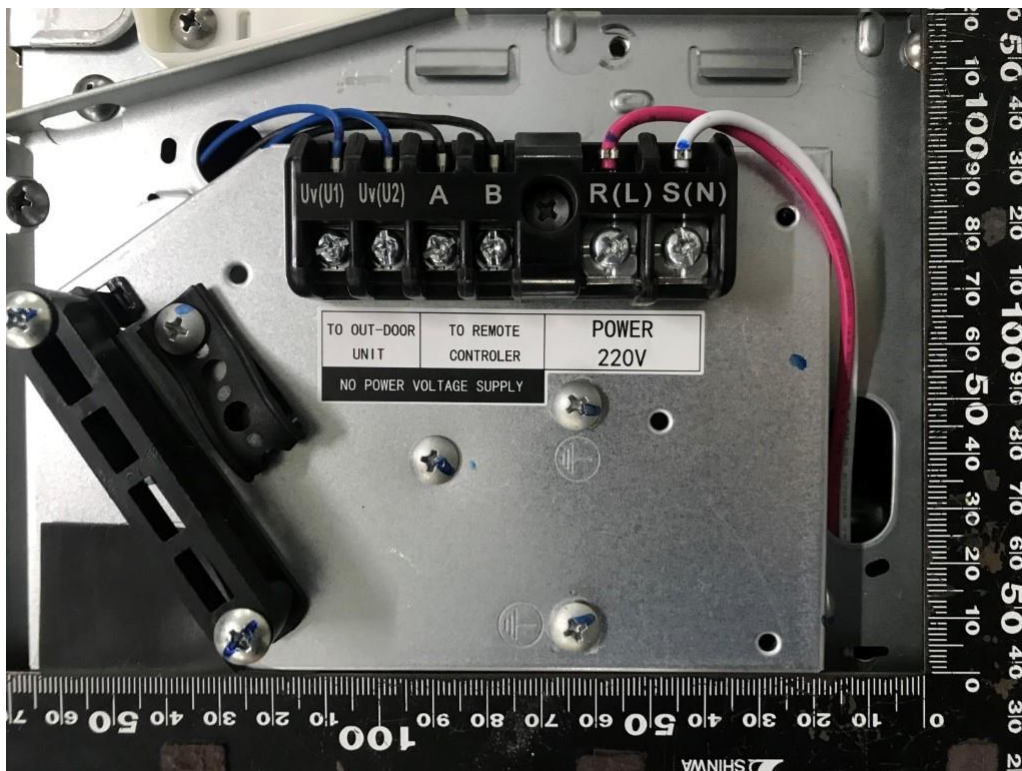

44. Construction view, slim duct RAV-HM561SDTY-E (Representative).

Attachment 1: Photo Documentation

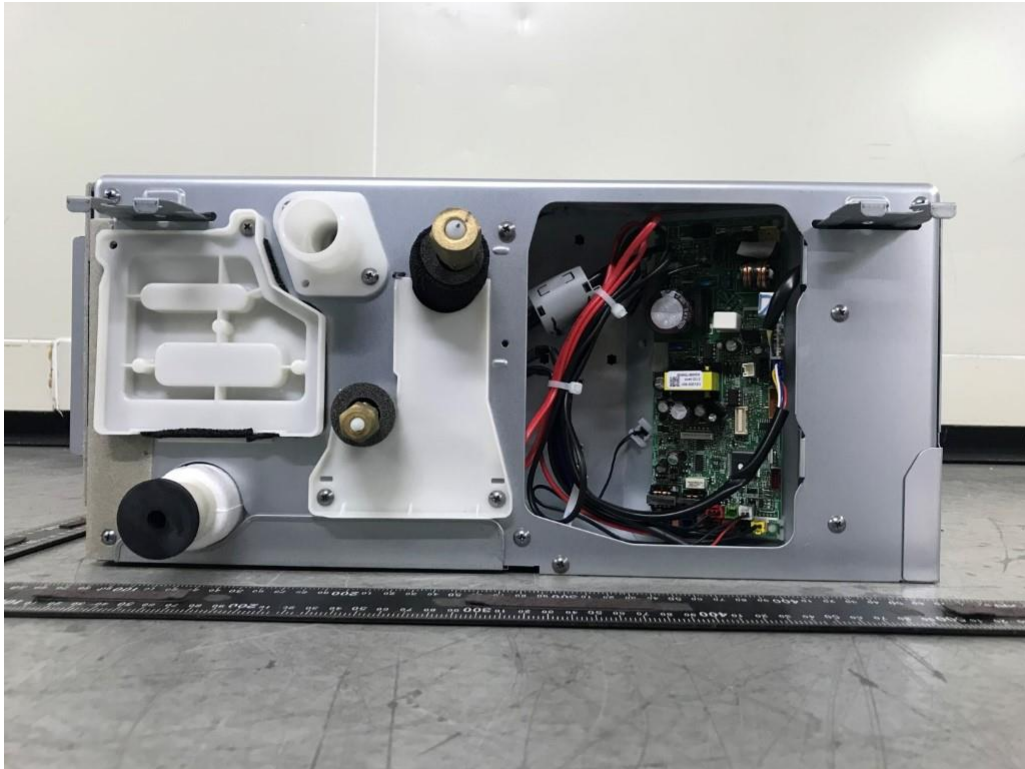

45. Construction view, slim duct RAV-HM561SDTY-E (Representative).

46. Terminal Block , slim duct RAV-HM561SDTY-E (Representative).

Attachment 1: Photo Documentation

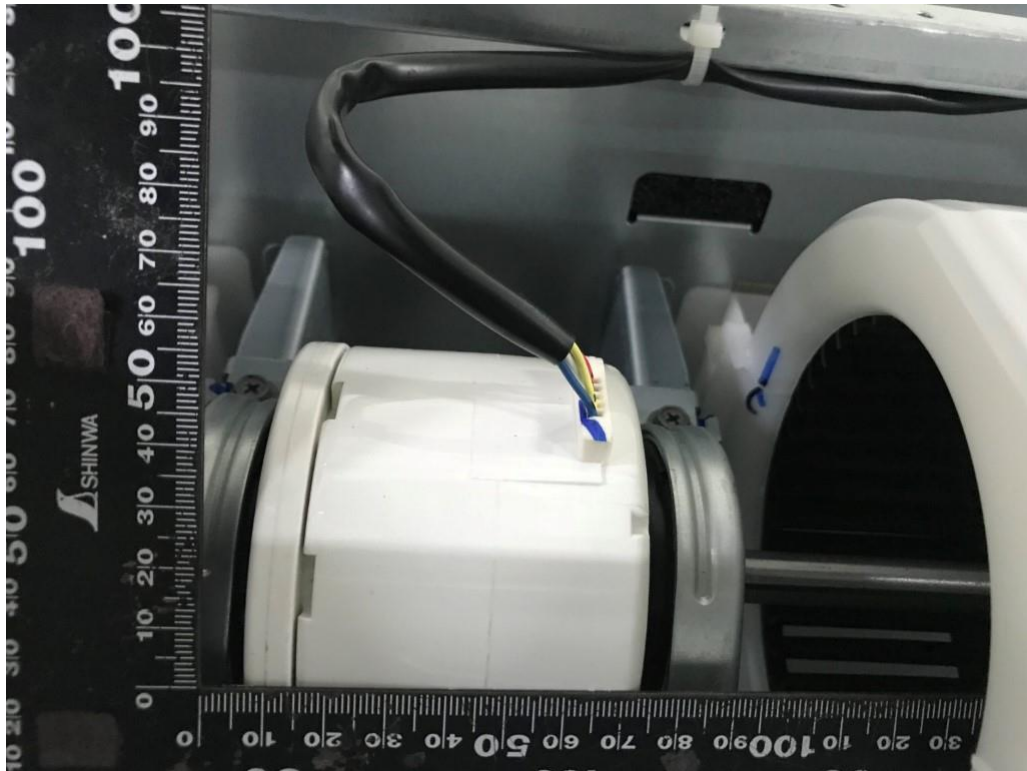

47. Inside construction view, slim duct RAV-HM561SDTY-E (Representative).

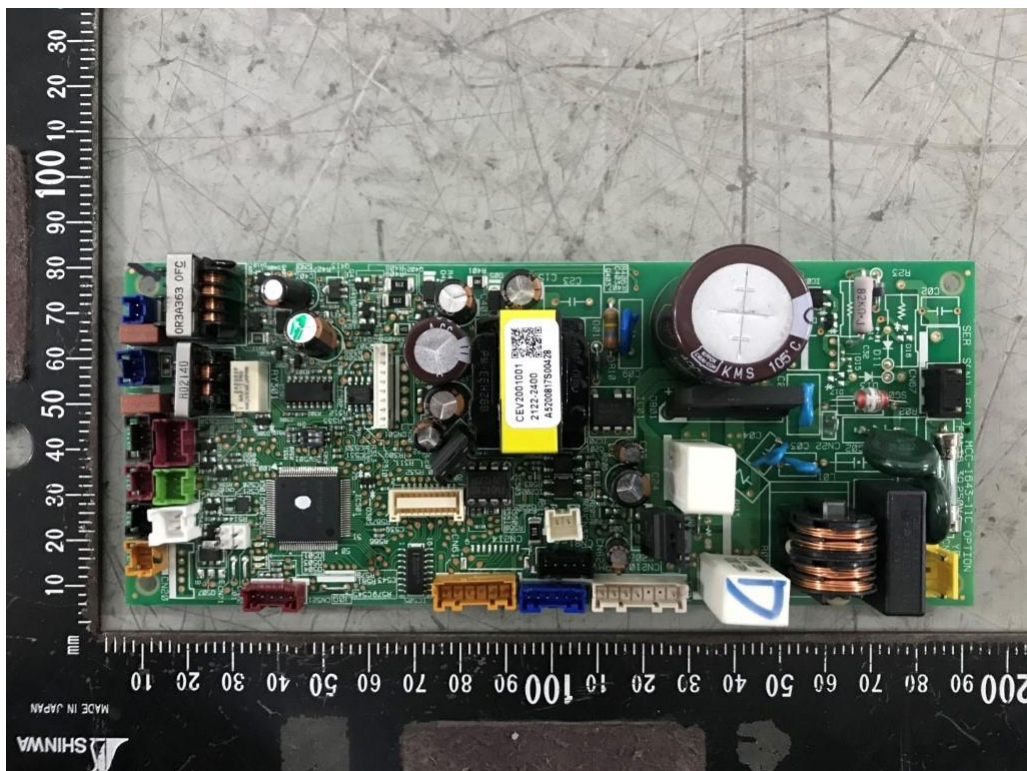

48. Inside construction view, slim duct RAV-HM561SDTY-E (Representative).

Attachment 1: Photo Documentation

49. Fan motor, slim duct RAV-HM561SDTY-E (Representative).

50. PCB, slim duct RAV-HM561SDTY-E (Representative).

Attachment 1: Photo Documentation

51. Construction view, Floor Standing RAV-HM1601FT-E (Representative).

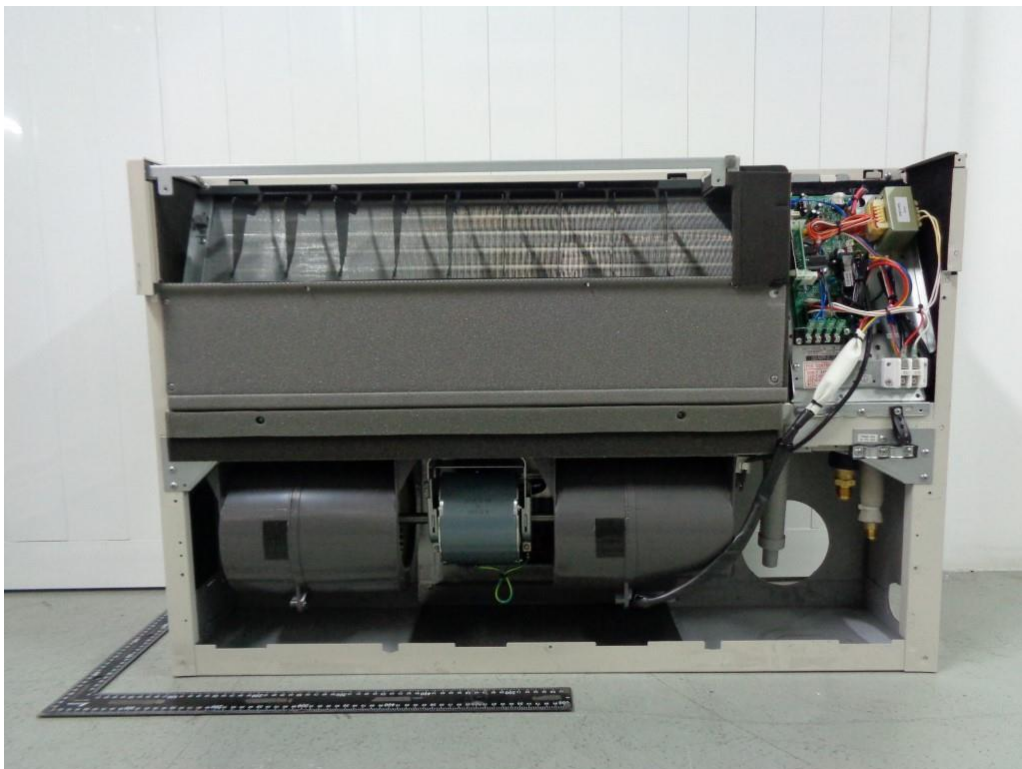

52. Construction view, Floor Standing RAV-HM1601FT-E (Representative).

Attachment 1: Photo Documentation

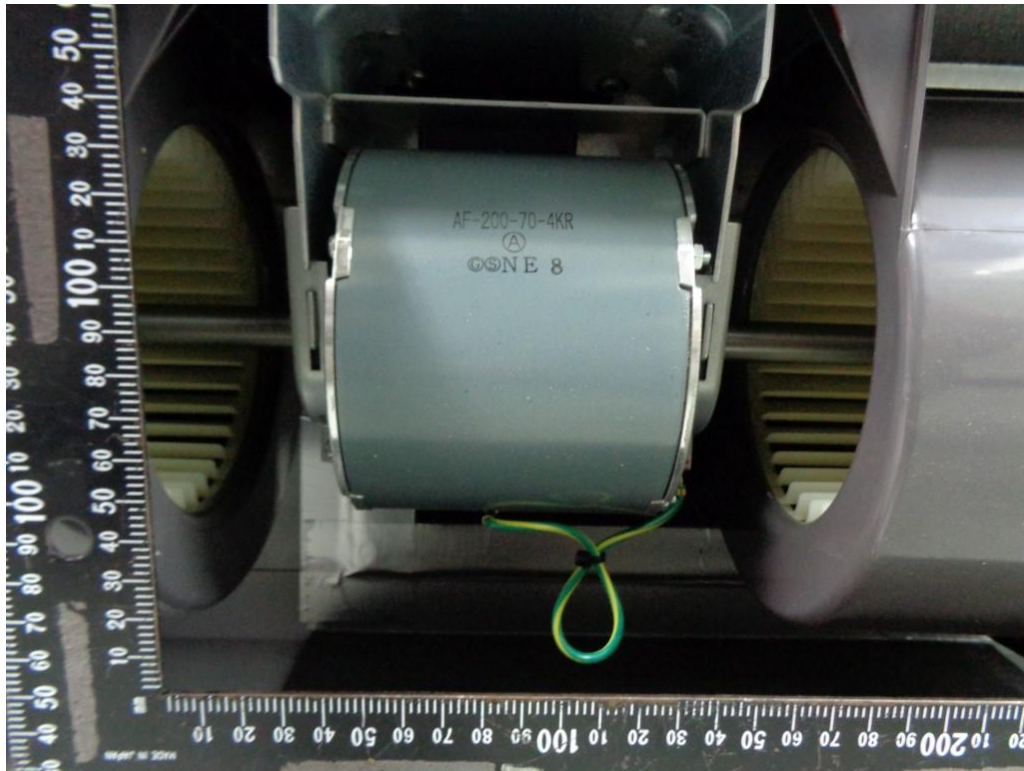

53. Construction view, Floor Standing RAV-HM1601FT-E (Representative).

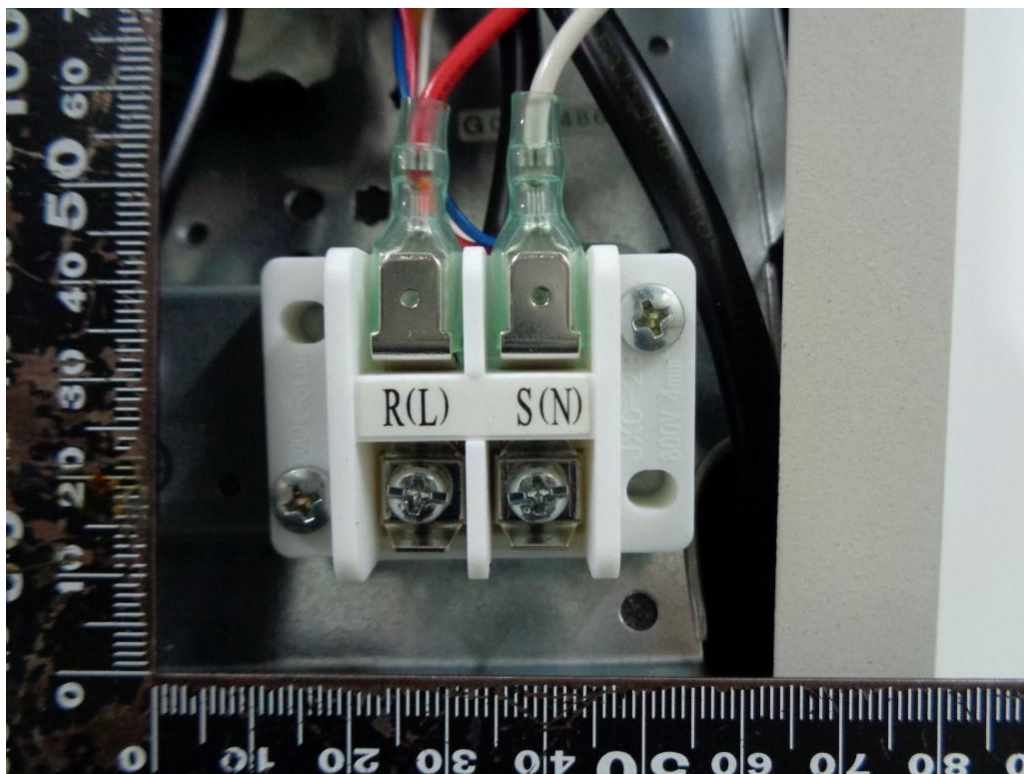

54. Inside construction view, Floor Standing RAV-HM1601FT-E (Representative).

Attachment 1: Photo Documentation

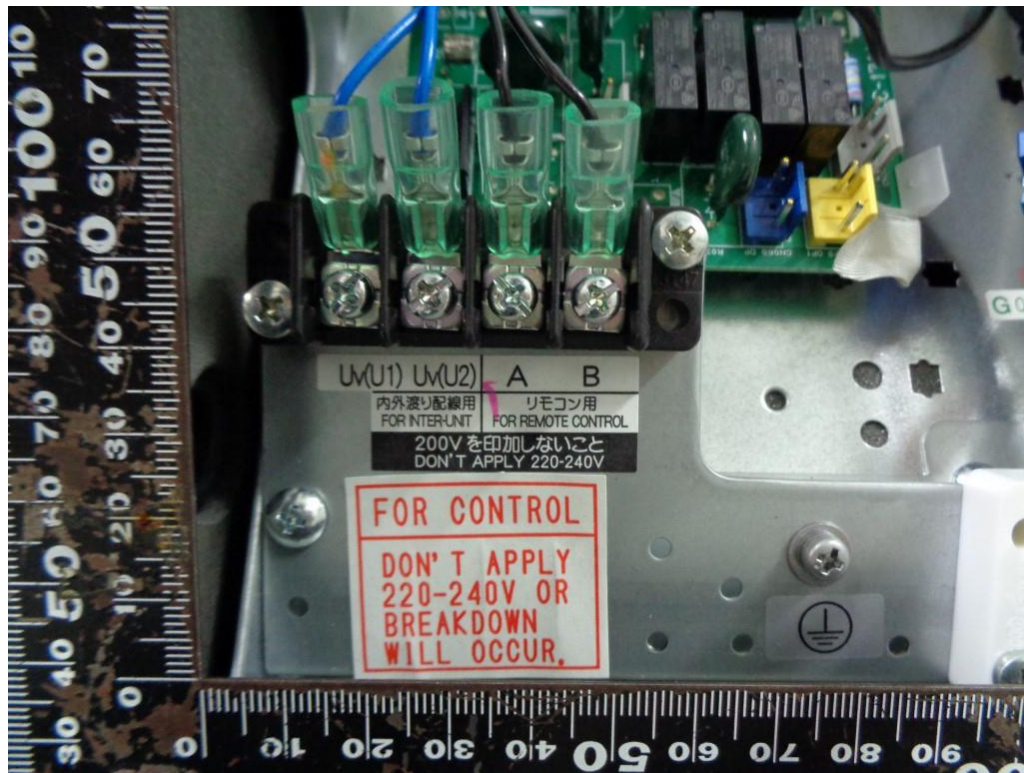

55. Fan motor, Floor Standing RAV-HM1601FT-E (Representative).

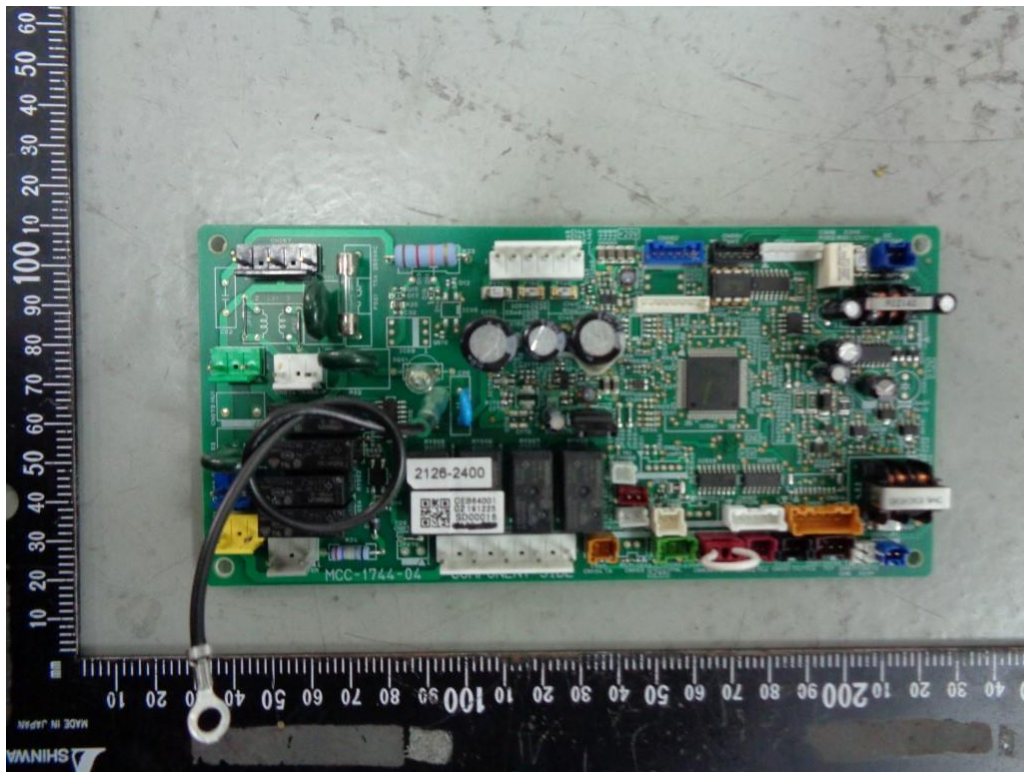

56. Terminal block, Floor Standing RAV-HM1601FT-E (Representative).

Attachment 1: Photo Documentation

57. Terminal block, Floor Standing RAV-HM1601FT-E (Representative).

58. PCB, Floor Standing RAV-HM1601FT-E (Representative).
